2. Advantage & Disadvantage

2.1 Advantage

1. Debate participation promotes problem solving and innovative thinking, and helps students to build links between words and ideas that make concepts more meaningful.

2. Debate students are taught to synthesize wide bodies of complex information, and to exercise creativity and implement different ways of knowing.

2.2 Disadvantage

1. Lack of understanding of the view and opinion of others can be perpetuated.

2. Deliberations may be time-consuming, both in terms of preparation and execution.

4.Applications

Using debates in the classroom provide students the opportunity to work in a collaborative and cooperative group setting. By having students discuss and organize their points of view for one side of an argument they are able to discover new information and put knowledge into action.

5.Conclusion

Thus the debate certificate will be useful for the future. Debate participation promotes problem solving and innovative thinking, and helps students to build links between words and ideas that make concepts more meaningful.
